

The HDSC Smart fortwo - stay mobile while your motorcycle is in the best hands

Is your motorcycle with us for conversion, service or repair? No problem - you can still stay mobile! We are now offering you our small workshop trolley for hire. So you can keep your appointments while we take care of your bike.

Your advantages at a glance

- **Convenient & flexible:** No waiting times or organization of transport services.
- **Fair & transparent:** Affordable rental prices - simply for the duration of your workshop visit.
- **Immediately available:** The Smart fortwo is ready for you as soon as you drop off your motorcycle.
- **Practically equipped:** Clean, reliable and with everything you need for everyday use.

It's as simple as this

1. Hand in your motorcycle.
2. Rent the workshop van.
3. Stay mobile - stress-free and uncomplicated.

Whether for a few hours or several days - with our small car, you are always on the safe side until your motorcycle is ready to go again.

Enquire now and reserve a workshop trolley!

We will be happy to advise you and keep you mobile.
